WE NEED YOUR VOTE TODAY!

WE ARE ONLY 5% AWAY FROM ADOPTING AN ANNUALLY ELECTED BOARD OF DIRECTORS

Dear ModusLink Global Solutions, Inc. Stockholder:

As you may be aware, we commenced our Annual Meeting on December 18, 2013. At the meeting stockholders voted on and approved the election of Anthony Bergamo to the Board of Directors and an advisory vote on executive compensation. However the annual meeting was adjourned with respect to the proposal to declassify the Board of Directors (Proposal 2) to allow stockholders additional time to vote.

Under the Company's by-laws this proposal requires 75% of the outstanding shares to vote to approve the declassification.

As of January 14, 2014 over 70% of the outstanding shares cast their vote in favor of the proposal. We are only 5% away from incorporating what we believe is a standard that will benefit all our stockholders.

Proposal 2 would eliminate the classification of the Board and provide instead for the annual election of Directors. We believe that an annually elected Board of Directors represents good corporate governance and is in the best interests of the Company, our stockholders and our customers. Many Corporate Governance experts, mutual fund managers and business academics agree that an annually elected board services the interests of everyone. Please vote today. We are only 5% away from adopting this widely accepted and encouraged standard.

PLEASE VOTE TODAY SO WE CAN AVOID THE EXPENSE OF ADDITIONAL MAILINGS

Our records indicate that we have not yet received your proxy. Please take a moment to vote today using the enclosed duplicate proxy card. You may also vote via phone or internet by following the instructions on the enclosed proxy card.
