- expressed its belief that a sale of the Issuer would be the best course to allow stockholders to realize maximum value for their Shares, thus achieving the Issuer's stated objective of its current strategic alternatives review, and would provide stockholders with a superior return as compared to the sale of individual business units;
- noted that the Proposal represents a 25% premium over the closing price of \$13.20 per Share on May 30, 2024 (the last trading day immediately prior to the date of the Proposal) and a 22% premium over the average 30-day closing price (ending May 30, 2024) of \$13.47 per Share;

- stated that the Proposal is not subject to any financing contingency;
- stated that the Proposal is subject to customary conditions, including limited confirmatory due diligence; and

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis.
